Dear Parents/Carers

It is really hard to believe that the Spring Term is over, and although it has warmed up a little this week, the children and staff are all in agreement that the wet lunchbreaks and icy mornings have made this term feel particularly wintry! Let’s hope that when we return to school on Monday 16th April the days will be sunnier for the start of the Summer Term 2018. Nevertheless, we at Worlingham have had a really successful term, the highlights of which will be shared in this edition of the Acorn.

The Lower Key Stage 2 “Celts and Romans” share morning was enjoyed by both pupils and parents. Thank you to the LKS2 staff team for their part in organising such a great morning.

“Fantastic – excellent activities – wonderfully resourced. Just needed more time to do everything! Thank you for the opportunity to work alongside our children, doing such enjoyable projects.”

“A special time spent creating lovely art work together – thank you.”

CLASS DOJO

Class Dojo is used at our school as a means to share and upload photos or videos of pupils engaged in their learning. We do not use it as a classroom communication/messaging app. If you wish to see a member of staff, please contact the school office.

* Easter Competition *

See how many Easter eggs you can count on this edition of the Acorn, submit to the School office and you could win a prize!

Thank you to the FOS for donating the chocolate eggs for the children’s Easter egg hunt.

The Governing Body of the School have a vacancy for a Foundation Governor. A Foundation Governor represents the historic link with the original establishment of the school and its distinctive religious ethos. All Governors are entrusted with the responsibility for formulating policies which produce a well-managed school. If you are interested please see the school office who will arrange a dialogue with another Foundation Governor.
Last week we were lucky enough to have the company 'West End in Schools' come and spend a day at Worlingham. The company specialises in 'Plays in a Day,' in which different classes learn about the stories of William Shakespeare. All KS2 classes had their own workshop, which culminated in a half hour retelling of The Tempest in front of the whole school. Each class took a different scene from the play and characters (and their lines) were split into different groups to speak. The audience were then called upon to make the sound effects and join in with key lines. The children were really engaged and it was amazing to see how an entire Shakespeare play could be done in one day!

Worlingham Squirrels
There are places available at the morning Breakfast Club (7.50 to 8.50am) and after school (3.15 to 6.00pm) or a session during those times.

Breakfast Club £3.50 per session
After School Club 3.15-4.15pm £4.50 per session
3.15-5.15pm £9.00 per session
3.15-6.00pm £13.50 per session
If you are interested, please contact the school office for more information or to reserve a place.

BBC music pilot!
We have recently been working in partnership with the BBC to test a new music scheme of work. Mr Eden has been working with some KS1 children, who were visited by Drusilla Gabbott from the BBC; she was extremely impressed with not only the school's fantastic music facilities, but also the importance that was placed on music within the school. She also commented on the engagement of the children and the excellent behaviour shown throughout her morning with us!

**Arts Week**
The children were invited by the Friends of School to come to school in non-uniform on Friday 23rd March. This was the day when our school was transformed into “Worlingham Modern”, an amazing art gallery exhibiting works inspired by famous artists. The artists’ work studied and recreated was based on “pattern”. We hope you enjoyed viewing some of the classes’ creations.

From everyone at
Worlingham CEVC Primary School
Yours sincerely, Mrs V O’Brien
