Dear Parents and Carers

Six weeks and three days has absolutely flown by, and the children have all made a brilliant start to their new year of learning! The teachers and teaching assistants in school plan quality first learning opportunities for your children, who in turn are supported by yourselves; some of the home learning the children have brought to school has been amazing, and certainly supports and enhances the work that we do, so a great big thank you to you for that!

A big thank you to the Friends of School for being the main funding contributor to our new amphitheatre. This is already being enjoyed by the children and will hopefully provide a space for class assemblies and mini concerts in the future.
We will also be looking at purchasing a plaque to mark this kind donation.

Early morning activities will continue on Tuesday 30th October and finish on Tuesday 4th December for the second half of the Autumn term. They will commence again in the Spring term.

Attendance for this half term has been amazing. It continues to be monitored by Mrs Kim Gill, our school attendance officer, and our Education Welfare Officer. Well done to all those children with 100% attendance so far.
The table below shows % of pupils in each class with 100% attendance.
