Mighty oaks from little acorns grow

Dear Parents and Carers,

Happy New Year! I am delighted to have finally begun work here as Headteacher of Worlingham CEVC Primary School. Some of you may have seen me around the school on the couple of transition days I was fortunate enough to have had before the Christmas holidays, or standing at the front of the school on most mornings since the start of term. Please do say hello and introduce yourself if you haven't yet done so. There is a photo of me below.

It is always a whirlwind when starting as Headteacher of a new school. I wish to thank Mr Page and Mr Brown for their support before Christmas, and to the rest of the staff and children for giving me such a warm and supportive welcome over the past fortnight.

I am excited about learning more about the school and working together with staff, governors, children and of course yourselves as parents to further develop and improve the educational provision here at Worlingham.

Here's to a successful term and a fantastic year ahead.

Yours sincerely, Paul Seeman
