

Photograph challenge

Each week we will set a theme for which the children e-mail me a photograph. These will be collected and printed then put in an album to share with the children on their return to school.

The theme chosen will be found under the year group's activities for the week on our website. Pictures can be of anything, as long as they fit the theme criteria.

IMPORTANT: Please remember that if you are taking a photo of another person, that you have theirs (or if of a child, the adults) permission to share it. You will also need to have your parents permission to send the photo to us.

Each child will be able to send in 1 picture per week, so choose your favourite one carefully!

Please send all photographs to photo@wcevcps.org ensuring that the photographers name is included in the body of the e-mail.

We are looking forward to seeing how creative you can be!
