

Year 2: Week commencing 30th March

English / Comprehension

- Watch one of the videos and read Bear's letter to lion, discuss and focus on the differences between the two letters. Then write a letter back from Lion to Bear, saying what happened to him.

- If possible, download the Smart Recipes App and have a go at cooking one or two of the recipes, they include many different recipes with simple instructions / methods for you to follow e.g. Perfect pasta & tomato sauce....

Perfect pasta & tomato sauce

Overview Ingredients Method

Prep time: 5 mins, Cooking time: 15 mins, Serves: 4 adults, Calories: 343 kcal

Suitable for freezing (sauce only)

This tomato sauce is quick and easy - and much healthier than a shop-bought version from a jar. It will also cost less too. You can even make it and freeze in batches - the ultimate in homemade convenience food!

Per portion (i.e. ¼ recipe)
1435kJ / 343kcal
12.5g protein
2.5g fat of which 0.3g saturates

Overview Ingredients Method

1 tsp olive oil
1 small onion finely chopped
1 garlic clove crushed or finely chopped
400g chopped tomatoes
2 tbsp tomato puree
2 tsp dried mixed herbs
1 pinch ground black pepper
350g dried spaghetti
1 tbsp fresh basil chopped, to garnish

Add to shopping list

Perfect pasta & tomato sauce

Overview Ingredients Method

- 1 Heat the oil in a saucepan or frying pan. Add the onion and cook over a medium heat for 3-4 minutes, until soft.
- 2 Add the garlic and cook gently for another minute. Add the chopped tomatoes, tomato puree and mixed herbs. Season with pepper. Simmer gently for 15 minutes until the sauce is thick and rich.
- 3 Meanwhile, cook the spaghetti according to pack instructions.
- 4 Drain the spaghetti and serve with the sauce, topped with fresh basil or chopped herbs (if using).

Tip 1: Use any shape of pasta as a change from spaghetti.
Tip 2: Stir about 12 halved cherry tomatoes through the sauce just before serving, if you like.

I made this!

- Write a letter to your class teacher. You can write about any of your experiences over the last week or two, information about cooking a recipe at home or even ask questions, the choice is yours! If you would like your letter to be read by your teacher then use class dojo (messenger) to send them through 😊.

Maths

- Complete the subtraction arithmetic sheet (2 digit – 1digit) Please add more difficult questions for your child if necessary, ideas could include 2-digit – 2digit numbers, subtracting from numbers above 100 or even missing number problems..... e.g. $34 - 13 = ?$, $125 - 9 = ?$, $24 - ? = 10$, $? - 10 = 30$
- Practise telling the time practically, ensuring children are confident at o'clock and half-past the hour. Then look through the powerpoint and play the game or telling the time (quarter to / quarter past). Children are expected to tell and read the time to 5 minute intervals by the end of year 2, e.g. 2.55pm or 10.50am.

Continuous activities

- Olympic maths
- Reading (at least 10 minutes daily)
- Spellings
- Learn how to tie your shoelaces- many clips on youtube (So Mr Idle / Mrs Wood doesn't have to!) 😊

-● Look at the 'My Activity Passport' document from the following site or under the continuous work section on the Worlingham website. This may give you some ideas of what you could write about (from above) or what you could do over the next few weeks, e.g. build a bridge and test its strength / learn a poem off by heart.

Please remember to use the work set daily / weekly as a guide for you and your child. Feel free to be creative and have fun. Thank you, Mr Idle and Mrs Wood.
