

Autumn- Term 1

This is an overview of your child's first term in Reception.

Literacy

This term our main focus is on name recognition and writing. Please ensure that your child is using the correct formation- sheets on this will be handed out at the Meet and Greet.

When we begin learning phonic sounds, your child will be given a red book to practise their formation in.

1 2 3

Mathematics

During this term, your child will be focusing on their number recognition to 20. Over the coming weeks, your child will have target numbers to practise at home. Once your child is confident at recognising these numbers in any order or context, they will be given more to practise.

Physical Education

Each week your child will have a PE session. Please support your child at home with learning how to get dressed. Long hair must also be tied up and earrings either taken out or taped up.

Greenfinches- Wednesday

Kingfishers- Monday

Topics

Each term your child's learning will be based around a theme that focuses on a different topic each week.

This term is 'All About Me' and we will be thinking about our families, where we live, objects and toys from the past, farming and harvest.

Outside Area

Your child will be exploring learning activities outside each day. Please ensure that your child is dressed appropriately for the weather and any changes that may occur throughout the day.

Please also ensure that your child has a pair of named wellington boots in school.

Tapestry

Over the next couple of weeks, you will receive an email from Tapestry regarding logging in and creating a password.

Please do create an account as this will allow you to see your child's learning.

It would also be great if you could regularly upload observations of your child for us to see.
