Mighty oaks from little acorns grow

Dear Parents and Carers

This week we have marked 'Children's Mental Health Week' with a class assembly on the theme of **'My Voice Matters'** which was organised by Mrs Stannard.

In addition, it was also 'Safer Internet Day' on Tuesday and Mrs Bickers prepared an assembly for each class to share and discuss. The theme this year is **'Inspiring change? Making a difference, managing influence and navigating change online'**.

Thank you to staff for their work in marking these important days in school.

Due to the number of coughs and colds in school, we have reduced the sizes of our collective worship groups to be either within the classroom or Key Stage groups to limit the number of children together in the hall. We hope that this will help to reduce the spread of bugs in school.

Please look out for our new policy and procedures relating to mobile phones. If your child brings a mobile phone to school, you will need to check the policy and procedures and complete the relevant paperwork. Paper copies will be available from the school office.

Kind regards
Holly Marchand, Headteacher

Childhood Vaccinations

**Is your child fully vaccinated?
Catching up is easy, at any age.**

You may have read or heard that cases of measles are increasing in England.

While cases in Suffolk are currently low, we should prepare for and protect against the potential for increased cases.

If your child has not been fully vaccinated with the MMR vaccine it is a good time to get this done to protect them.

What should I do?

Step 1: Check whether your child has had all of the vaccines they should have had.

You can look in the 'immunisation' section in your child's red book (Personal Child Health Record) to see if they have received their MMR vaccination.

If you're still unsure, check their records with their GP or email the vaccination clinic
hct.SuffolkSAIS@nhs.net

Step 2: If your child is missing any vaccination, book an appointment to get them up to date.

This can be done at a vaccination clinic or your GP.

If you would like to book a place in a clinic, please call 0300 555 5055 option 3 to book appointments for any outstanding vaccinations.

Important - Please do not attend a clinic without booking in advance.

Year 6 Basketball

On Wednesday 31st January, 10 Y6 children took part in a competitive basketball tournament at Sir John Leman High School. The event was organised so that the boys played the first half of the matches, and the girls the second half.

The team performed outstandingly and won all of their games, showing great dribbling, passing and shooting too! They made it to the final which was a full-court game watched by the other teams, and they came away with a well-deserved silver medal overall.

Well done, Worlingham!
