LONE WORKING POLICY

Introduction

The school recognises that there are occasions when teaching, support, administrative, caretaking, cleaning or other staff may be required to work alone or in isolated situations. This may mean an increased risk to the health and safety of that individual. This policy sets out the approach to identifying these risks and managing them.

Definition

A lone worker is someone who spends some or all of their working hours working alone. This may occur during normal working hours at an isolated location within the school, or working outside normal school hours.

Lone working is deemed to be working in a situation where there are no other people who could reasonably be expected to give immediate assistance in the event of an accident or emergency.

Policy

The policy of the school is that lone working should be avoided whenever possible. In practice, this means that only members of the caretaking and cleaning staff will be working alone on a regular basis.

Risk Assessment

The Headteacher ensures that an annual Lone Working Risk Assessment is undertaken and that members of staff are aware of the content. The following factors are taken into consideration:

- ✚ Risk of violence. All lone working situations are assessed for the risk of physical or verbal threats.
- ✚ Plant and equipment. All equipment used by lone workers is assessed for its suitability for use by one person.
- ✚ Chemicals. Any chemicals used are assessed for their suitability for use by those working alone.
- ✚ Working at height. Working at height is not undertaken when working alone.
- ✚ Consideration to training and level of experience.

Procedures

In order to minimise the risks from lone working, the following measures are taken:

- ✚ Staff seek the permission of the Headteacher before working alone on the school premises outside normal school hours.
- ✚ Staff do not arrange meetings with parents or members of the public when lone working. Meetings must be arranged during school occupancy times, or when there are other members of staff on site e.g. Sports hall office.
- ✚ Staff ensure that someone is aware that they are working alone and either give them an expected time of return or keep in regular contact.

- ✚ Mobile phones can provide a level of security and peace of mind, but are not solely relied upon. If carrying a mobile phone, staff check the battery charge level and signal strength.
- ✚ Lone workers check that all external doors are kept closed and locked.
- ✚ If leaving the building at night after a meeting or function, staff leave with others.
- ✚ Lone workers do not confront or challenge unauthorised persons or intruders, unless they are sure it is safe to do so.
- ✚ If there are any signs of unauthorised access or unauthorised persons on site, the Headteacher, a senior member of staff, or the police are contacted.

Further information

Further information on lone working can be found in the HSE publication “Working Alone”.

WORLINGHAM CEVC PRIMARY SCHOOL

SAFEGUARDING STATEMENT TO ACCOMPANY POLICY DOCUMENTS

Throughout this policy runs our commitment to safeguarding the well being of all our pupils at Worlingham CEVC Primary School. The values, beliefs and ethos of Worlingham Primary School are shared by all members of staff and the adherence to the guidance as stated in the school's Safeguarding Policy is of paramount importance.

The well being and safety of pupils has a positive impact on their attendance, behaviour, their own Health and Safety, learning within the school environment as well as on educational visits.

Throughout the curriculum children are taught how to manage risk and how to keep themselves safe. The children know that if they need help they can talk to a member of staff at school. Children are taught how to keep themselves safe whilst using ICT equipment and are instructed to report any inappropriate material to the member of staff leading the session.

Children who have an identified SEN which creates difficulties with communication may need additional support in expressing concerns to a member of staff. Staff will need to follow the guidance in the safeguarding policy when dealing with a disclosure, taking into account the ability of the individual.

A copy of the Safeguarding policy can be found on the school website, in the Headteacher's office and also the staff room. This policy provides comprehensive detail in identifying types of abuse and the procedures that need to be followed.

Within the Safeguarding Policy is a section on The Prevent Duty and what it means for our School.
