PARENT/VISITOR CONDUCT POLICY

Introduction

This policy relates to the behaviour of adults in school.

All members of a school community are entitled to be able to work, study or visit without fear of verbal or physical assault. It is the purpose of this policy to promote and support this entitlement and provide guidance to all school stakeholders as to how this might occur.

Underlying Principles

- The relationships between parents/visitors and this school are greatly valued; partnership working is seen as enhancing the education of pupils in the school.
- Parents and visitors are welcome to come into school to discuss matters of concern with members of staff.
- All meetings held in school are by mutual consent.
- All meetings will take place in an atmosphere of mutual respect and trust.
- School staff and parents/visitors will act reasonably and responsibly in dealing with issues of concern.
- Parents with concerns/complaints about pupils other than their own should not deal with the pupil in question but should address their concerns to a member of school staff.
- All parties will work together to resolve difficulties, even when they relate to matters of a personal nature.
- Parents should allow the school a reasonable period of time to investigate complaints/concerns, in compliance with the schools complaints procedures.
- Acts of an intimidating or threatening nature will not be tolerated.
- Offensive or abusive language will not be tolerated.
- The school will not tolerate the use of mobile phones, the email system, the internet or the intranet for illegal or inappropriate activities such as citing confidential information about other employees, the school or its customers or suppliers.

Policy

The above principles will be recognised and put into practice in contacts between school and parents. Worlingham CEVC Primary School operates a Parent/Visitor Conduct Policy towards breaches of the above principles.

While school is in session, entry for visitors is restricted to a single point, staffed at all times. When this is not possible, the outside door is kept locked and visitors should ring the entry bell to gain admittance.

Visitors are monitored and are always escorted while on the premises. Hosts are responsible for visitors during their stay.

If a visitor enters the premises and refuses to leave, this behaviour may give rise to a criminal offence. Staff will request the person to leave the premises but should not place themselves in a position of risk. If violence is threatened, or if there is a breach of the peace or a likelihood of this, the police will be informed by an emergency call.

Meetings with parents or visitors will be through an appointment system for general enquires, support and advice. However it is recognised that emergency meetings may need to be convened at short notice and in this case all parties will endeavour to meet at the earliest opportunity.

Where parents or visitors do not conduct themselves in an appropriate manner during meetings or discussions the meeting should be terminated and the parent/visitor asked to leave the premises.

Where conduct has been such as to warrant it, the police will be informed. The school will instigate proceedings (through the Legal Services Department) to ban persons acting in such a manner from the school premises.

A record will be maintained in school of all incidents involving intimidating or threatening behaviour towards staff.

The school will notify parents of this policy on a regular basis and display a poster headed up 'Zero' Tolerance Zone (see back of policy) in prominent positions around the school.

This policy will be reviewed on the cycle of review which the school has adopted.

WORLINGHAM CEVC PRIMARY SCHOOL

SAFEGUARDING STATEMENT TO ACCOMPANY POLICY DOCUMENTS

Throughout this policy runs our commitment to safeguarding the well being of all our pupils at Worlingham CEVC Primary School. The values, beliefs and ethos of Worlingham Primary School are shared by all members of staff and the adherence to the guidance as stated in the school's Safeguarding Policy is of paramount importance.

The well being and safety of pupils has a positive impact on their attendance, behaviour, their own Health and Safety, learning within the school environment as well as on educational visits.

Throughout the curriculum children are taught how to manage risk and how to keep themselves safe. The children know that if they need help they can talk to a member of staff at school. Children are taught how to keep themselves safe whilst using ICT equipment and are instructed to report any inappropriate material to the member of staff leading the session.

Children who have an identified SEN which creates difficulties with communication may need additional support in expressing concerns to a member of staff. Staff will need to follow the guidance in the safeguarding policy when dealing with a disclosure, taking into account the ability of the individual.

A copy of the Safeguarding policy can be found on the school website, in the Headteacher's office and also the staff room. This policy provides comprehensive detail in identifying types of abuse and the procedures that need to be followed.

Within the Safeguarding Policy is a section on The Prevent Duty and what it means for our School.
