

MODERN FOREIGN LANGUAGES STATEMENT OF INTENT

At Worlingham CEVC Primary School we strive to provide all of our children with opportunities to experience a range of languages from around the world through Language of the week. We also aim to provide a high-quality education focussing on the French language in KS2, whilst also developing a love of learning about other languages and cultures.

Intent

We intend for children to:

- Understand and respond to spoken and written language from a variety of authentic sources.
- Speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation.
- Write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt.
- Discover and develop an appreciation of a range of grammatical effects in the language studied.
