Mighty oaks from little acorns grow

Dear Parents and Carers,

It is hard to believe how quickly this half term has flown by and that we only have one more week before half term!

Well done to our Year 6 pupils. I am so proud of how they have approached their SATs assessments this week; they have shown maturity and dedication and have all tried their best.

Thank you for your patience and support during this transition phase while we are all learning to use Arbor most effectively.

Next week, we are looking forward to our Science week and the theme for this year is Dinosaurs and Prehistoric Science. I know that our children always enjoy this special week and I am sure that they will demonstrate great curiosity in their learning. Thank you to the Friends of School for funding the workshops for this next week. These will really enrich the learning experience for all children.

Finally, please remember to send in a waterproof jacket for your child to wear in case of rain.

Kind regards, Holly Marchand, Headteacher

Year 6 SATS

Congratulations to our Year 6 pupils for their mature and dedicated approach to their SATS assessments this week. Thank you also to the Year 6 staff team for the extra support, and also all staff across the school, for their contributions to their learning over the years.

Goodbye and Good Luck

Today we have said a sad farewell to Mrs Mayall, who is leaving to take up a new role. She has been supporting the children at Worlingham Primary for 11 years, and most recently in the Skylarks class. We thank Mrs Mayall for all she has done and wish her every success in her new venture.

Music Concert

On Wednesday 6th May, our musicians performed in our annual music concert. The children played their instruments to an incredibly high standard and we were treated to a delightful evening of music. Thank you to Jon Buck, Kate Horsley and Mr Eden.

Helpful Heroes Topic

On Wednesday 6th May, PC Thompson came to visit the children in EYFS as part of our 'Helpful Heroes' topic. He told us all about his job as a police officer, and also showed us the different equipment that he carries on his clothes each day.

We also got to see his police car, and look at the different equipment that is inside it, as well as listen to the loud siren.

On Friday 8th May, the children were very lucky to have a visit from Kate the Dental Nurse. She taught us all about our teeth, how to keep them clean and healthy, and which foods and drinks are good for our smiles.

We learned how to brush our teeth properly, and then we had lots of fun practising on the dinosaur's big teeth with a toothbrush!

Sports Roundup

Year 2 Skittleball Tournament

On Tuesday 5th May, 12 children from Year 2 competed in a Skittleball tournament held at Worlingham Primary, against five other local primary schools. Miss Hunt and Mrs Hart were so impressed with all the children's teamwork and communication skills.

Worlingham B played brilliantly in their matches, scoring points in all games and winning one.

Worlingham A won the tournament overall with the most points. These points were earned by points scored in games but also for excellent teamwork and communication. Great work Year 2s!

Year 5 Rounders Tournament

On Wednesday 6th May, 8 Year 5 children attended a rounders tournament at the Denes Oval in Lowestoft.

The children played a total of five games and only just lost their two opening games. Although they didn't qualify for the final stages, they then went on to play three more games and won all three!

Mr Idle and Mrs Day were delighted with how well the children represented the school.

Calendar Dates

W/c 18 th May	Science week
Mon 25 th May	Half term week
Wed 3 rd June	School Photographer (Classes)
Thu 4 th June	EYFS Trip to Wood Farm Barns
