

Autumn- Term 1

This is an overview of your child's first term in Reception.

Literacy

This term our main focus is on name recognition and writing. Please ensure that your child is using the correct formation - sheets on this will be handed out at the Meet and Greet.

When we begin learning phonic sounds, your child will be given weekly home learning to practise the sounds at home.

1 2 3

Mathematics

During this term, your child will be focusing on their number recognition and accurate counting to 20. Over the coming weeks, your child will have target numbers to practise at home to help them with their recognition. We will also be comparing size, mass and capacity.

Physical Education

Each week your child will have a PE session. Please support your child at home with learning how to get dressed. Long hair must also be tied up and earrings either taken out or taped up.

Greenfinches - Thursday

Kingfishers - Thursday

Topics

This term our theme is 'All About Me and My Environment'.

We will be thinking about our families, learning about different emotions, as well as exploring our local environment.

We will also look at key celebrations e.g. Harvest Festival.

Outside Area

Your child will be exploring learning activities outside each day. Please ensure that your child is dressed appropriately for the weather and any changes that may occur throughout the day.

Please also ensure that your child has a pair of named wellington boots in school.

Tapestry

Over the next week, you will receive an email from Tapestry regarding logging in and creating a password.

Please do create an account as this will allow you to see your child's learning.

It would also be great if you could regularly upload observations of your child for us to see.
